

MY Glastron 26

MY Glastron 26 has a spacious cockpit with versatile seating arrangements alongside a full-service refreshment center.

Adjust the cockpit seating to a substantial sun lounge and soak in the sun or cook the family's favorite foods without needing to leave the boat.

The well-appointed cabin features a queen sized mid-cabin berth, spacious forward V-berth, a large stand-up head, and breakfast center. Whether you are onboard for a day or an entire weekend is solely up to you. Either way, this express cruiser is just what the doctor ordered.
